

RASNIT EMU KAUR KHURANA

English Language Instructor
(ESL Instructor)

PROFILE

I am a CELTA qualified English language teacher with approximately 5 years of teaching experience. I plan and teach student centered classes focusing on learner needs, develop content for various courses, manage classrooms, etc. Apart from classroom responsibilities, I focus on developing individual learning aims, identifying future career development areas and measuring achievements for the same.

I am a compassionate, creative and effective teacher with valuable experience for the classroom. Despite the experience I have gained in the education environment, I believe in continuous learning, growing and developing as a teacher through opportunities to teach and guidance and feedback from my seniors and colleagues. I believe that I equally enjoy and am equally effective whether performing independently, or as a member of a teaching team. I am also well versed in the technology used in classrooms for teaching.
