EDUCATION

- Class of 2022 **FLAME University**, Pune India
Psychology Major
- Relevant coursework: Personality Psychology, Developmental Psychology, Biological Basis of Behaviour, Social Psychology, Abnormal Psychology, Research methodology, Industrial Psychology and Educational Psychology, Counselling Psychology, Cross-cultural Psychology, Health Psychology and Experimental Psychology.
 - Core committee member of the FLAME Mental Health club. Assisted in designing the club's website, organised weekly discussion sessions and self-help workshops around mental and emotional well-being exclusively for the University students.

RESEARCH EXPERIENCE

- June 2021- July 2021 **MIT World Peace University**, Pune, India
Research Intern
- Assisted in construction of a diagnostic tool for the detection of Post-Traumatic Stress Disorder(PTSD) in the Indian Military population.
 - Role involved reviewing empirical literature, item writing, item analysis, and collation of the items into a questionnaire and administering it in the target population for data collection.
- October 2021-Ongoing **FLAME University**, Pune, India
Research intern
- Role involved reading empirical literature on diagnostic tools for spirituality, selecting a suitable tool and testing it's validity in the Indian population.

COMMUNITY SERVICE

- May 2020-June 2020 **Shashi Dream Foundation**, Nagpur, India
Intern
- Wrote articles on a variety of topics focusing on the pandemic including entrepreneurship, changes in the Indian education system, stress and anxiety management and skill building. All articles were published on medium.com
 - Assisted in organizing more than 30 career counselling sessions which aimed at providing guidance to the young adults in India who are astray about their career avenues.
- Feb 2021- present **7 Cups of Tea**
Trained Active Listener
- I have specialized in active listening for adolescents and young adults. I was anonymously connected to individuals in a one-on-one chat to empathize and provide emotional support for issues such as anxiety disorders, ADHD, depression, self-harm, and Post Traumatic Stress Disorder(PTSD).
 - Helped more than 500 individuals across the globe, and was given a 5 star rating for my listening skills along with 166 positive reviews.

SKILLS & INTERESTS

- Fluent in Hindi, English, and Marathi, Reading knowledge in Urdu and Spanish.
- Adept in Web Designing and Canva
- Interests include Energy healing, classical Hindustani vocals, and baking
