BAHASA INDONESIA INSTRUCTOR

Dedicated and student-focused teaching professional, who is committed to providing a well-balanced, supportive and engaging learning environment for all students. Proficient at tailoring lesson plans to incorporate student diverse interests and capture their attention and imagination. Talent for integrating thematic units, cooperative learning projects, and class discussions to generate independent thought, improve communication skill in listening, reading, writing and speaking. Recently I discover that teaching is not about making speech in front of the classroom and have the students to do exercise and homework but creating diverse games and activities. Hard working, punctual and trustworthy instructor, who strives to collaborate with all members of the class to meet the needs of students and promote the philosophy of Bahasa Indonesia. I believe that to be a good teacher you have to be a good student. Teaching-Learning Language is my passion thus this is a vacation not job.
