PROFILE

I am a dynamic and motivated individual, recognized for my unwavering commitment and limitless passion. I am eager to become part of an environment that nurtures growth, values continuous learning, and supports professional development. Utilizing my diverse skills and experiences, I am excited to make a meaningful contribution, driving the organization's progress and success. My multilingual proficiency, encompassing five languages, including English and French (beginner level), adds value to my ability to connect with a diverse audience. Furthermore, my passion for writing enables me to engage creatively and expressively during my leisure time.

WORK EXPERIENCE

Administrator

The Early Birds Montessori School

2019-2022

- Proven track record of providing visionary leadership, setting clear goals, and guiding the school community towards a shared mission.
- With a focus on fiscal responsibility, I have effectively managed the school's budget, allocating resources to enhance educational programs and maintain quality facilities.
- Building strong relationships with parents and the community has been my priority. I have actively engaged parents through regular communication, parent-teacher conferences, and community events, creating a supportive network for students' academic journey.
- Curriculum development and alignment with educational standards, resulting in a more comprehensive and engaging learning experience for students.
- I have prioritized the safety and well-being of all students, staff, and visitors within the school premises by implementing comprehensive safety protocols and nurturing a positive school climate.
- Played a vital role in shaping the school's community and ensuring a smooth and seamless admission process that welcomes students from all backgrounds and walks of life.

Teacher

The Early Birds Montessori School

2015-2016

- Throughout my teaching career, my students have consistently achieved commendable academic results.
- As an innovative educator, I have incorporated various teaching strategies, technology integration, and hands-on activities to make learning more interactive and engaging.
- Beyond the classroom, I have actively participated in organizing extracurricular activities, such as clubs, events, and field trips, to provide students with enriching experiences beyond academics.
- As a faculty member, I have taken on mentorship roles, guiding new teachers and contributing to the professional development of my colleagues.

EXTRA ACHIEVEMENTS

- Secured First class 4th position in the Final Year Examination of Degree (Bachelors of Science in biotechnology) under Guwahati University held in June 2015.
- Participated in a National Seminar on "Problems and Aspects of Sericulture in Assam"
- I underwent comprehensive training and earned certification in Pranic Healing, offering services and to make a positive impact on the lives of others.
