WORK EXPERIENCE

INSTITUTO HISPANIA (November 2021 to the Present)

New Delhi, India

Spanish Teacher and Academic Coordinator

- I plan, organize, and present cultural activities related to Hispanic countries to motivate and stimulate students and teachers.
- I teach levels A1 to C1 of Spanish as a Foreign Language to students from India and other countries.
- I am responsible for providing training and support to Indian teachers who are learning and teaching the Spanish language.
- I have recorded student progress, graded work, and prepared tests from A1 to C1. Additionally, I have improved standard exams at the Institute.
- I have led workshops on Latin American and Spanish food and culture.
- I am providing interpretation services in English and Spanish, in person and over the phone.
- I translate technical, legal, and financial documents between Spanish and English.

BLOOMINGDALE INTERNATIONAL SCHOOL (March 2019 to February 2020)

Vijayawada, Andhra Pradesh, India

Spanish and English Teacher for PYP (Primary Year Program) and MYP (Middle Year Program)

- I designed and developed the Spanish language curriculum for PYP and MYP.
 - As the planner, organizer, and presenter, I use various methods such as songs, stories, media, and structured games to motivate and stimulate children.
 - Assessed student work using PYP and MYP criteria, providing formative and summative assessments.
 - Design, follow, and implement an educational plan for PYP and MYP based on school requirements.
-

Tudip Technologies (February 2018 to March 2019)

Pune, Maharashtra, India

Spanish Trainer and Language Specialist

- I provided translations in Spanish and English for Google users.
- I provided training to the Google team and 200 others on improving English grammar and reading comprehension for user requests.
- I provided interpretation services for clients who spoke both Spanish and English.
- I also provided legal document translations for both our company and third parties.
- I helped and finished translating the company website from English to Spanish.

INSTITUTO HISPANIA (November 2015 to February 2018)

Chennai, Tamil Nadu, India

Spanish & English trainer, Academic Coordinator, and Spanish Corporate Trainer

- I taught Spanish as a Foreign Language to students from India and other countries.
- Corporate Training: I trained a large groups of corporate personnel, up to 50-70 individuals. I worked with companies such as Zoho and Maverick.
- I created and graded Spanish as a Foreign Language exams to evaluate proficiency.
- I provided interpretation services in English and Spanish, in person and over the phone.
- I have translated technical, legal, and financial documents between Spanish and English.

An Overview of my experience in Schools and Universities (September 2004 to 2014)

Táchira and Caracas, Venezuela

Spanish and English Teacher/Professor

Spanish Language:

- I instructed students in Spanish on proper spelling, grammar, and text analysis to improve their reading comprehension skills.
- I previously held the positions of department head and exam coordinator.
- I have experience creating and designing test materials, such as question papers and evaluation criteria.

- I was an examiner of students' undergraduate thesis.
- I previously held the position of General Coordinator for the Spanish Language and Research Methodology Department.

English Language:

- I instructed students in English on proper spelling, grammar, and text analysis to improve their reading comprehension skills.
- I held the position of High School Department Head and Exam Coordinator.
- I have experience creating and designing test materials, such as question papers and evaluation criteria.
- I obtained experience teaching English at all levels to students of different ages and backgrounds.

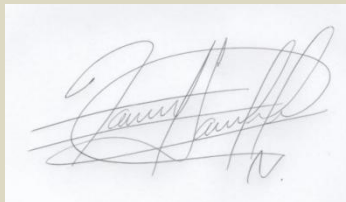

SKILLS

- Communication skills: having the experience of teaching individuals of different ages, including kids, teenagers, and adults, has greatly improved my communication skills.
 - Organizational and managerial skills: as a coordinator and department head, I successfully integrated faculty and students and efficiently organized various activities to promote teamwork and leadership.
 - Creativity skills: I use my imagination to generate ideas when solving problems or tasks. I tend to think critically about any situation in a new or different way. I also combine creativity with technological tools to obtain even better results in class.
 - OTHER SKILLS: well versed with Word, Excel, Power point, G-Docs, G-Sheets, G-Slides, OneDrive, Outlook 365.
