

PROFILE

As a dedicated language specialist with over 2 years of experience delivering services to gamers in German and English, I'm excited to contribute my language expertise to a dynamic organization.

EXPERIENCE

- Amazon

May 2022 - Present

Games Specialist
Rehired for permanent position based on outstanding performance during contractual role with limited team members.
 - Amazon

Dec 2021 - April 2022

Games Specialist- Contractual Role
As a Games Specialist at Amazon, I played a pivotal role in enhancing the gaming experience for our community.
My responsibilities included:
 - Gameplay Support
Provided dedicated support to players in German and English, offering assistance and troubleshooting to ensure a seamless experience.
 - Launch Responsibilities
Contributed significantly during the launch of Lost Ark, managing and supporting a high influx of new players and ensuring positive experience addressing the needs and support of the customers
 - Amazon

Aug 2021 - Nov 2021

Technical Concierge Support- Contractual Role
Worked in the Technical Support department at Amazon in a contractual role. During high peak times, characterized by ongoing sales and events, supported an average of 50-60 customers per day.

Responsibilities
 - Provided comprehensive support to customers, resolving device issues encompassing technical and software problems associated with products purchased from Amazon
 - Facilitated the processing of replacements or refunds in accordance with customer requirements
