WORK EXPERIENCE :

Overview:

Proficient and detail-oriented professional with two years of experience as a Data Entry Operator and Stenographer at Netaji Subhas University of Technology. Demonstrated ability to handle high-volume data entry tasks accurately and efficiently while maintaining confidentiality. Skilled in transcription and maintaining organized records.

Key Responsibilities:

- Conducted accurate data entry tasks ensuring completeness and accuracy of information.
- Transcribed audio recordings into written documents with precision and efficiency.
- Managed and maintained confidential records and documents in compliance with organizational policies.
- Utilized stenography techniques to transcribe spoken words into shorthand, maintaining high levels of accuracy.
- Coordinated with various departments to ensure timely completion of transcription and data entry tasks.
- Assisted in the development and implementation of efficient data management processes to streamline operations.
- Performed administrative duties such as scheduling appointments, handling phone calls, and organizing meetings.

Key Achievements:

- Consistently met or exceeded daily data entry quotas, contributing to overall operational efficiency.
- Received recognition for accuracy and speed in transcription, leading to increased responsibilities within the department.
- Implemented new organizational strategies that improved data entry accuracy by 15%.

- Successfully managed simultaneous tasks, prioritizing workload to meet tight deadlines effectively.

Skills Utilized:

- Proficient in data entry software and Microsoft Office Suite (Word, Excel, Outlook).
- Strong typing skills with a typing speed of [55 WPM] words per minute.
- Excellent attention to detail and ability to maintain accuracy in high-pressure environments.
- Familiarity with stenography techniques and shorthand writing.
- Effective communication and interpersonal skills.
