

RAJNI BARMAN

DIGITAL MARKETER

PROFILE

I'm a creative and organized professional skilled in managing teams and projects. I excel at planning budgets and meeting deadlines, consistently delivering innovative solutions. My ability to take responsibility seriously has earned me a reputation for reliability. During my 6-month internship, I enhanced my skills in SEO management, social media project handling, and initiating strategies for Google Ad campaigns.

WORK EXPERIENCE

DIGITAL ULTRAS

DIGITAL MARKETING INTERNSHIP 6 MONTH

In my 6-month internship, I worked on digital marketing and project management. I helped improve website rankings through SEO and managed social media pages, creating posts and running ads. I also learned to use Google Ads to support marketing campaigns. This experience taught me a lot about working with others and managing tasks efficiently.
