SKILLS

PROFESSIONAL EXPERIENCE

Early Childhood Educator - Nature-based

Naturkindergarten Haidhausen

Munich, Germany

Sep'22 - Oct'25

- Delivered nature-based, outdoor early childhood education for children aged 3–6, integrating environmental awareness with social-emotional learning.
- Designed and facilitated hands-on workshops that strengthened independence, curiosity, and empathy through play- and inquiry-led activities.
- Partnered with parents and education specialists to support inclusive learning plans and ensure individual developmental needs were met.

Landscape Gardener

Ab durch die Hecke GmbH

Munich, Germany

Aug'21 - Oct'24

- Executed hands-on landscape construction and seasonal maintenance across private and public sites, including planting, pruning, soil preparation, and hardscape upkeep.
- Applied environmentally responsible land-care practices (water-efficient irrigation, soil health improvement, and biodiversity-friendly planting) to support sustainable green spaces.
- Owned independent work assignments and delivered small-scale projects end-to-end, coordinating materials, timelines, and on-site quality standards.

Social Worker - Special Education

HPT Neuperlach

Munich, Germany

Feb'22 - Sep'22

- Delivered special education day-care (HPT) support for children aged 6–14 with disabilities or at risk of disability.
- Implemented structured social-emotional interventions for children aged 6–10, strengthening communication, self-regulation, and peer interaction.
- Coordinated care plans with parents, teachers, therapists, and case workers to align goals, routines, and progress tracking.
- Maintained case documentation for two children; designed and delivered individual projects, and supported daily programme operations.

EDUCATION

B.A. KSH München

Social Work 2025

- Case Management, Client Centered Intervention, Intercultural & Social Competence

B.S. University of Bayreuth

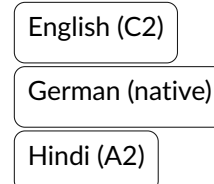

Environmental Science 2021

- Environmental Data Analysis, Ecosystem Assessment, Sustainable Resource Management

TOOLS

LANGUAGES

PROJECTS & VOLUNTEERING

OTHER SKILLS

Thesis: Social work in India

KSH Munich

- Examined decolonization and indigenization in Indian social work, focusing on how Western knowledge and funding structures shape practice and how community-based local approaches are integrated.
- Conducted and analyzed semi-structured expert interviews using structured qualitative content analysis to identify ongoing colonial influences and emerging shifts toward participatory, locally grounded practice.

- First Aid
- Food Safety
- Life Guard
- Piano, Flute, Vocals

Youth Group Counselor

Turner Alpenkranzchen e.V. & Don Bosco

- Led long-term youth groups (ages 6–17) using outdoor pedagogy, experiential learning, and structured indoor group education.
- Supervised and onboarded new youth group leaders, coaching them on facilitation methods, safeguarding practices, and session planning.
- Planned and ran hikes, camps, creative workshops, educational events, and recurring group meetings, managing logistics, safety, and engagement.

Climate Coordinator

Turner Alpenkranzchen e.V.

- Calculated and tracked the organisation's carbon footprint, maintaining a baseline and monitoring emissions trends over time.
- Implemented practical emission-reduction measures and supported renewable energy initiatives, translating targets into on-the-ground actions.

Environmental Volunteer

Die Summer e.V.

- Supported urban biodiversity restoration and environmental education initiatives through on-ground planting, habitat improvement, and community-led activities.
- Conducted community outreach on insect biodiversity and native planting, translating scientific concepts into practical steps for residents and local groups.
