SUMMARY

Highly dedicated and experienced primary educator with five years of impactful service at Endeavour Global School. Proven expertise in teaching English, Environmental Studies (EVS), and Computer Studies to elementary students. Demonstrated exceptional skill as the class teacher for Class 1, successfully fostering a positive and structured learning environment. Expert in class management and curriculum design/lesson planning, with a passion for cultivating young minds, having guided thousands of children to academic and personal success.

“Debarupa ma’am possesses truly remarkable teaching expertise. Her English lessons, in particular, were a perfect blend of foundational learning and imaginative exploration. She didn't just teach the curriculum; she brought it to life. She created a nurturing and well-structured environment where every student felt safe, valued, and encouraged to participate. The classroom rules were clear, fair, and consistently enforced with kindness.” –Mrs. Yamini Chadrawat (mother of Varun Chandrawat)

SKILLS

- Curriculum Development: Designing, adapting, and implementing engaging lesson plans and full course curricula (e.g., Literature, Composition, Grammar, Public Speaking).
- Differentiated Instruction: Customizing lessons and assignments to meet the diverse learning needs and levels of students
- Assessment & Evaluation: Creating, administering, and grading various assessments (formative, summative, rubrics) and using data to inform instruction.
- Classroom Management: Maintaining a positive, disciplined, and productive learning environment.
- Educational Technology Integration: Proficiency with Learning Management Systems (LMS - e.g., Google Classroom, Moodle, Canvas), interactive whiteboards, and digital tools for teaching.
- English as a Second Language (ESL) / English for Academic Purposes (EAP): Experience with language acquisition methodologies.

EXPERIENCE

TEACHER

SILIGURI, WEST BENGAL

Jan 2018 till July 2022

- Integrated educational technology (Google Classroom, Canvas, SMART Boards) to create interactive lessons, fostering student digital literacy and engagement.
- Managed all aspects of assessment, including designing rubrics, administering formative and summative tests, and using data analytics to track student progress and modify instructional strategies.
- Mentored and coached students in spelling competitions and the elocution club, resulting in at least two students winning regional spell bee awards and many others winning inter-school elocution competitions.
- Cultivated a positive, culturally sensitive classroom environment that encouraged open dialogue and respect for diverse global perspectives.
- Communicated proactively with parents, providing detailed progress reports and conducting parent-teacher conferences to align learning goals and address student needs.
- Oversaw administrative duties including record keeping, student attendance, and contributing to school accreditation reports.
